Reception

Music

Expressive Arts and Design educational programme (taken from the EYFS Framework 2020)

The development of children's artistic and cultural awareness supports their imagination and creativity. It is important that children have regular opportunities to engage with the arts, enabling them to explore and play with a wide range of media and materials. The quality and variety of what children see, hear and participate in is crucial for developing their understanding, self-expression, vocabulary and ability to communicate through the arts. The frequency, repetition and depth of their experiences are fundamental to their progress in interpreting and appreciating what they hear, respond to and observe.

Early learning goals that link to music:

EYFS Expressive Arts and Design

ELG Being Imaginative and Expressive -

- Sing a range of well-known nursery rhymes and songs.
- Perform songs, rhymes, poems and stories with others, and – when appropriate – try to move in time with music.

In Reception the children.....

- Access a range of percussion instruments indoors and outdoors and are taught their names.
- Explore how sounds can be changed and learn the related vocabulary eg loud/quiet, fast/slow.
- Build up a repertoire of songs and rhymes through opportunities to sing on a regular basis.
- Listen to a range of music.
- Are encouraged to move in response to music.

- A melody that starts and ends on note one - A description of how their melodies were created.

Performing

- Create, rehearse and present a holistic performance for a specific purpose, for a friendly but unfamiliar audience.
- Perhaps perform in smaller groups, as well as with the whole class.
- Perform a range of repertoire pieces and arrangements, combining acoustic instruments to form mixed ensembles, including a school orchestra.
- Perform from memory or with notation, with confidence and accuracy. Include instrumental parts/improvisatory sections/composed passages within the rehearsal and performance.
- Explain why the song was chosen, including its composer and the historical and cultural context of the song.
- A student will lead part of the rehearsal and part of the performance.
- Record the performance and compare it to a previous performance; explain how well the performance communicated the mood of each piece.
- Discuss and talk musically about the strengths and weaknesses of a performance.
- Collect feedback from the audience and reflect on how future performances might be different

Singing

- Rehearse and learn songs from memory and/or with notation.
- Sing a broad range of songs as part of a choir, including those that involve syncopated rhythms, with a good sense of ensemble and performance.
- This should include observing rhythm, phrasing, accurate pitching and appropriate style.
- Continue to sing in parts, where appropriate.
- Sing in 2/4, 3/4, 4/4, 5/4 and 6/8.
- Demonstrate and maintain good posture and breath control whilst singing.
- Sing with and without an accompaniment.
- Sing syncopated melodic patterns.
- Lead a singing rehearsal.
- Talk about the different styles of singing used in the various styles of song visited throughout this year.
- Discuss with one another how connected they are to the music and songs, and how the songs and styles are connected to the world.
- Rehearse and learn to play one of four differentiated instrumental parts, by ear or from notation, in the tonal centres of C major, F major, G major, D major, E major, A major, E \flat major, D minor and F minor.
- Play a melody, following staff notation written on one staff and using notes within an octave range; make decisions about dynamic range, including very loud (fortissimo), very quiet (pianissimo), moderately loud (mezzo forte) and moderately quiet (mezzo piano).
- Play a part on a tuned instrument, by ear or from notation.
- Treat instruments carefully and with respect.
- Play the right notes with secure rhythms.
- Rehearse and perform their parts within the context of the unit song.

Improvising

- Explore improvisation within a major scale, using the notes:

C, D, E, F, G

G, A, B \flat , C, D

G, A, B, C, D

F, G, A, C, D

- Improvise over a groove, responding to the beat, creating a satisfying melodic shape with varied dynamics and articulation.
- Follow a steady beat and stay 'in time'.
- Become more skilled in improvising, perhaps trying more notes and rhythms.
- Include rests or silent beats.
- Think about creating music with 'phrases' made up of notes, rather than just lots of notes played one after the other.
- Challenge themselves to play for longer periods, both as soloists and in response to others in a group.
- Create a melody using crotchets, quavers and minims, and perhaps semibreves and semiquavers, plus all equivalent rests.
- Use a pentatonic and a full scale.
- Use major and minor tonality:

C, D C, D, E

C, D, E, F

- Use rhythmic variety.
- Compose song accompaniments, perhaps using basic chords.
